IV International Natural Sciences Tournament

November 13-18, 2013, Saint-Petersburg State University

Russian Federation, Saint-Petersburg, Peterhof

Dear colleagues!

International Natural Sciences Tournament (INST) is a team competition for current undergraduate, Master's students, and students planning to graduate in 2013. Students should have one of the following specializations: Chemistry, Biology, Physics, or Engineering. The main goal of the competition is to teach university students to apply their knowledge to solve current practical scientific and industrial problems.

Problem set for the INST-2013 extramural round will be available online at www.scitourn.ru/start on May 20, 2013.

Teams from CIS, Europe, Asia, North America, South America and Australia are welcome. Please register your team online at www.scitourn.ru/reg. Registration will open on May 15, 2013. If any of your team members needs to get visa to enter Russian Federation, the team's solution of the above problem set should be sent to tournament@chem.spbu.ru by August 1, 2013.

If you have any questions, do not hesitate to contact us: tournament@chem.spbu.ru; skype: scitourn or tel: +7812-958-7327.

Problems of INST-2013 will be published online at www.scitourn.ru after the extramural round.
